## OXFAM WALK – 15 MAY 2011

Come and spend an enjoyable day with the family at the Oxfam Walk on **Sunday 15 May**, raising money for Oxfam's Emergencies Fund. The start and finish point of the walk is at Wimpole Hall, where you can choose a 4-mile, 9, 13, 17, 22, or 26-mile marathon route for the really energetic. There really is something for all the family! All the walks are well signed with marshals, and there are convenient checkpoints offering refreshments and toilets for a well-earned break. If you enter as a team (which can be a family team) of 4 or more people of any age, you'll have the chance to win the Oxfam Team Trophy, if you raise the most sponsorship. A free return bus is available from the centre of Cambridge to the start of the walk, courtesy of Stagecoach.

The individual raising the highest amount in sponsorship will also win a fabulous walking holiday for two in the Lake District, thanks to Ramblers Countrywide Holidays.

This year, the Oxfam Walk aims to raise £50,000 for Oxfam's Emergencies Fund helping communities affected by natural and manmade disasters, including the thousands of people in desperate need of assistance, following the tsunami in Japan. To help us reach this target we ask each adult walker to pay a registration fee of £8 beforehand, or £15 on the day (children under 16 walk for free) and to raise at least £50. For more information and to register online visit [www.oxfam.org.uk/walk](http://www.oxfam.org.uk/walk) or pick up a registration form from your local Oxfam shop.

### ADVERTISING

All matters relating to advertising should be addressed to the Advertising Co-ordinator (see above – email to [bunty.waters@ntlworld.com](mailto:bunty.waters@ntlworld.com))

¼ page adverts cost £15.50 per month and must be submitted by the 1<sup>st</sup> of the month prior to inclusion.

Maxi ads (£8.50 per month) and Mini ads (£5 per month) should be submitted by 15th of the month prior to their inclusion.

Sizes: Maxi 6 x 4.5 cm-9 x 6 cm. Mini 6 x 2 cm- 6 x 4 cm.

### EDITORIAL

There is no charge for Articles, What's On, For Sale and Lost and Found, and these appear at the Editor's discretion. Please submit items by 15th of the month.

Dear Editor

#### HOLIDAY AT HOME

I would like to thank those who organised and ran "Holiday at Home" this April. There was obviously a lot of hard work done to make the event a success. There had also been hard thought applied to ensure that all holidaymakers had something to satisfy their wishes for a short break. This was my first attendance and I will certainly go again next year if the event is run.

*Keith Morris*

Dear Editor

Whilst walking around the Nature Reserve area recently, I stopped and looked as I always do, into the stream from the concrete bridge near Field View. It's known that there is sometimes a kingfisher feeding at this spot, and sticklebacks and minnows can be seen. However...a selfish and thoroughly lazy dog walker doesn't want to see the wildlife: all they want to do is use the stream as a means of getting rid of their blue nappy sacks full of their dog's s\*\*\*, which have now lodged against some rocks and stayed there for all to see.

If the person concerned feels aggrieved at me calling them 'selfish and lazy'...good, meet me and we'll have a chat about what your responsibilities are as a dog walker. The Parish Clerk has my number. I wait with bated breath.

Good news for Bar Hill, we have had a low rate on incident/crime reports this month.

I have been carrying on with dedicated high visibility patrols through the village and skate park, and the visits to primary school, sheltered housing, and local businesses, youth clubs, and have also conducted speed checks in Saxon Way, at least once a month. I have been dealing with all sorts of community issues ranging from neighbourhood dispute issues to gathering intelligence.

I have been dealing with some anti social behaviour through the village in relation to youths trespassing into Bar Hill Primary School premises. These youths have been warned and their parents have been notified of their children's behaviour.

During these past weeks luckily we have enjoyed some very good weather. Whilst I have been spending time in the village, either dealing with crime enquiries or on patrol, I have notice few unsecured properties throughout the village. Please do be vigilant and always make sure to secure your property when left unattended. Don't make it easy for the opportunist burglars/thieves to commit crime in your village and help themselves to your property.

## FRIENDS OF BAR HILL LIBRARY

### The future of the Library Service

On Thursday 12 May at 7 pm there will be a public meeting in the Church Centre about the continuation of library services in Cambridgeshire. Do take this opportunity to find out more about what is planned and about your involvement in the future of Bar Hill Library. The meeting is open to all residents and all are asked to come along to show your support.

#### Next event at the Library

Our talk for the summer term is on Wednesday 8 June at 7 pm in the Library. The subject is the history of Addenbrooke's Hospital. It will be a fascinating insight into its 250-year role as one of the most important of our local institutions.

#### Sit down and be counted!

Our next coffee morning is on Thursday 5 May in the Library, from 10 am to noon. Come and meet your friends and make new ones. More important, come along and be counted. Those attending events in the Library are recorded, and your name on our list will be lasting evidence that you value your Library.

There will be another coffee morning on 2 June, same time, same place.

We are a group of ladies aged from 18 - 82 who meet the second Tuesday of every month. Even though we are part of Guiding you do not have to have any connections to join us.

We have talks by various people, do crafts, enjoy food, help out with Guiding events when asked, go on visits, and generally have lots of fun.

## **BAR HILL COLTS F.C.**

A date for your diary. The annual Colts Presentation evening takes place on 21<sup>st</sup> May at the Village Hall. During the evening every player is given a memento of the season and those players who have played exceptionally well, or have shown a great improvement in their play, or exceptional sportsmanship, often come away from the evening clutching a treasured trophy. The evening also gives everyone a chance to recognise the unselfish work of managers, coaches, officials, and parents - who are often seen on matchdays putting up goalposts, manning refreshment stalls and assisting the referee. We are all looking forward to another successful event.

### **Promotion Beckons**

#### **Aztecs 2 Bar Hill Rangers (U15) 5 3<sup>rd</sup> April 2011**

The Rangers took to the field second place in the table following a 2-5 defeat by closet rivals Littleport the previous weekend.

Bar Hill took the lead after just eight minutes when **Harry Sorensen** rounded the Aztecs keeper. Six minutes later Aztecs equalized against the run of play. Three minutes later **Harry Sorensen** headed home his second goal to make it 1-2. With Bar Hill now dominant a third Rangers goal was scored by **Tom Clark**. On the half hour mark **Jack Willers** collected a clearance from **Matt Childs** and ran on to shoot past the goalkeeper. 1-4. Bar Hill completed their first half dominance with only seconds remaining when **Jack Willers** scored his second goal. 1-5 at half time.

With Aztecs taking advantage of a more relaxed Bar Hill, the back four of **Ben Loraine**, **Luke Thomas**, **Kieran Welch** and **Luke Barber** were pressed into action during the second half, backed up by some great saves from **Dan Virgo**. With only a minute to go Aztecs scored a second consolation goal for the match to finish 2-5.

With a couple of matches left promotion is assured and with games in hand the Rangers are still confident of winning their Division.

The Under 12s play in the final of the League Plate 21<sup>st</sup> May 12.30 ko v. Isleham United Venue Cambridge Stadium

### **The Cup that cheers**

**Bar Hill Rangers 3 Warboys 3 aet (Bar Hill Rangers win 5-4 on penalties)**

**Under 15 Knockout Cup Final  
played at Cambridge Stadium,  
Trumpington Road  
10<sup>th</sup> April 2011**

In beautiful sunshine Bar Hill Colts supporters turned up in great numbers to cheer on the Rangers.

After a tentative first 13 minutes Bar Hill were awarded a free kick on the edge of the Warboys box from which **Jack Willers** rose to head home the first goal. After a period of end to end football Warboys scored on the counter attack to make it 1-1 at half time.

The second half saw the Rangers beginning to dominate and on fifty-two minutes **Johnny Clarke-Hassell** scored his first goal of the season. 2-1. With ten minutes to go Warboys pressed forward and grabbed an equalizer 2-2. On seventy-eight minutes a Warboys player was brought down in the area. **Dan Virgo** got a hand to the resultant penalty but the ball bounced over the line. 2-3. It looked to be all over for Bar Hill but with seconds left **Matt Childs** amazingly scored direct from a corner kick. 3-3 at full time.

Twenty minutes of extra time failed to produce a winning team despite chances to clinch the Cup falling to them both.

The dreaded penalty shoot-out. **Matt Childs** scored the first. Warboys missed theirs. 1-0. **Joe Northfield** scored. Warboys scored. 2-1. **Jack Willers** scored. Warboys scored. 3-2. **Luke Thomas** missed. Warboys scored. It was now 3-3. **Ben Loraine** scored. Warboys scored. 4-4 and it went down to sudden death. **Kieron Welch** slotted home bottom left. Up stepped the Warboys player who scored a penalty in full-time. **Dan Virgo** guessed where he'd put it and dived to his left to make the save.

In customary fashion, Dan was engulfed by his grateful team mates as the Cup was won by Bar Hill. The first half of a potential League and Cup double.

## BLUE BINS

### Paper-Only Caddy

*Since the introduction of the blue bin and paper-only caddy we have seen the amount of recycling increase and we hope that this fantastic start can be maintained.*

Paper is a very valuable material when collected separately from other materials through the paper-only caddy and it generates an income for the council. However, if paper is mixed in the blue bin with other materials, it needs to be sorted and is classed as lower quality which means we can't get the same income from it and it costs the council money.

#### Yes please...

- ☺ Catalogues
- ☺ Envelopes (with or without windows)
- ☺ Junk mail
- ☺ Newspapers and magazines
- ☺ Shredded paper
- ☺ Telephone directories
- ☺ Paper

#### No thanks...

- ☹ Cardboard – e.g. cereal boxes (place in blue bin)
- ☹ Tissues and kitchen paper (place in green bin)
- ☹ Jiffy bags (re-use or place in black bin)
- ☹ Wrapping paper (place in blue bin – only if made of paper)
- ☹ Greetings cards (place in blue bin)

#### Top tips for recycling

- ❖ If you are having difficulty in fitting all of your paper into the paper-only caddy please place excess paper in a returnable container alongside your blue bin.
- ❖ If your caddy has gone missing you can contact us for a replacement.
- ❖ To avoid any potential shredded paper being spilt during collection, please place shredded paper in an old envelope to prevent littering and remember that you only need to shred documents displaying personal or confidential information.

## HAPPY HOURS

This will be March and April in one as with the Church Holiday at Home and the Bank Holidays there will only be two Happy Hours during April.

We had Mr Gresswell as a speaker who gave an interesting talk about the history of sewing machines and the social history which is attached to them. He also brought in several different types of machines to explain and show. April also gave us a speaker from the Gurkha Welfare Trust with slides and details all about these special brave people – a very interesting talk and informative.

A raffle was held and £80 donated to the Bone Cancer Research Trust via a family with village connections whose family is doing the Highland Walk in May raising money in memory of their daughter who died aged 14. ([www.justgiving.com/Shirley-Gower](http://www.justgiving.com/Shirley-Gower)).

With all the Bank Holidays coming up we have had to reschedule many of our keep fit sessions but they will still go ahead during the coming months.

We are finishing April with a celebration for the Royal Wedding to be held on the 18<sup>th</sup> – a little early but our only date. A Fish and Chip lunch and music in the afternoon to entertain everyone.

Happy Easter to everyone.

## REPORT BY COUNTY COUNCILLOR JOHN REYNOLDS

### CAMBRIDGESHIRE TRANSPORT BACK REAL TIME BUS PLANS

Plans to invest around £600,000 in improving services for bus passengers and reduce congestion have been backed by Councils from across the Cambridge area. Councils have supported plans to invest **developer money** into extending a scheme to provide real-time bus information equipment in Cambridge. It will see new signs going up on some of the city's busiest bus routes as well as large display screens in places where communities want to travel to, such as Addenbrooke's Hospital and the railway station.

### RESIDENTS GET POWER TO ALTER SPEED LIMIT

Neighbours living in a street or village will be able to investigate putting in restrictions themselves under a new policy from Cambridgeshire County Council. It could pave the way for changes in the speed limit that would normally fail to meet the authority's own funding criteria.

While empowering communities to get work done the new policy would give greater local determination of speed limits. **They also have to be willing to pick up the essential cost of doing any scheme.** Any group which puts in speed reduction measures, such as flashing signs, would need to be responsible for the **"whole life cost"** of the scheme.

A simple scheme involving changes to the numbers on existing signs at either end of a small village or a street, for example, could cost hundreds of pounds but a more complex scheme might cost thousands.

### Bar Hill News / Octagon

Grace Plumb and Gemma Thorby have been selected to go on an international Guiding trip to represent Anglia. To achieve this they had to attend a county selection and then a regional selection at Pax Lodge, the World Guide Centre in London.

The trip will take them to New Zealand in July 2011 where they will tour the North Island with a group of Guides both from New Zealand and other countries. The tour includes going up the skytower in Auckland, exploring the Bay of Islands, travelling to tip of North Island, Cape Reinga, visiting Waitomo Caves, Rotorua and Lake Taupo. The trip ends in Wellington. Whilst on the trip they will have the chance to experience many cultural aspects of New Zealand as well as getting to know Guides from a number of countries.

They have to fundraise to contribute towards the cost and some of the events they have arranged are:

- A quiz night on 21<sup>st</sup> May
- BBQ's on 4<sup>th</sup> and 25<sup>th</sup> June following cricket matches on the village green
- A stall at the Village Fete on 2<sup>nd</sup> July

If you would like to support them or enter a team in the quiz night please contact Grace on 200211 or Gemma on 781527.

### REPORT BY DISTRICT COUNCILLORS ROGER HALL AND BUNTY WATERS

#### Turning the spotlight on local services

Residents with opinions about their local services are asked to get in touch with South Cambridgeshire District Council. The Council would like local residents to help choose suitable topics to investigate in 2011/12. It can focus on almost any local service or policy.

The Children and Young People's Plan has now been approved. It sets out how South Cambridgeshire District Council can ensure that young people are involved, informed and participate in issues, services and facilities that impact on them.

SCDC ran consultation workshops, work experience placements and youth forums to get direct input from young people to the Plan.

### **It's all about us!**

For people in need of social care, Self-Directed Support gives them choice over when and how they are supported to live their lives. A new film called *It's all about us!*, made by a group of individuals who use social care services, their carers and social care professionals together with Stories Projects in Film and Cambridgeshire County Council, shows how Self-Directed Support really can change lives. It demonstrates how despite age, disability or ill health, Self-Directed Support enables people to lead a life as fulfilled as possible.

You can loan a copy of the film from your local library. The stories featured are also available on the County Council website at [www.cambridgeshire.gov.uk/social/selfdirectedsupport/](http://www.cambridgeshire.gov.uk/social/selfdirectedsupport/)

If you think you may be eligible for social care support you should phone Cambridgeshire Direct on 0345 045 5202, or if you have a mental health need speak to your GP.

Saturday 30<sup>th</sup> April saw a team of people undertaking the planting of the Memorial Garden. Thank you to all those who volunteered and gave up their time.

A big thank you goes to all who either donated money or have given plants in order for this work to be carried out.

However, more plants and work are required for the autumn and winter months to keep this garden looking beautiful all the year round.

If you would like to help please leave donations at The Bar Hill Post Office where Harry and his Team would be pleased to receive them. If you would like further information please contact Chris Stannard on 01954 781978 or email [c.e.stannard@ntlworld.com](mailto:c.e.stannard@ntlworld.com)

#### **Litter Picking Day**

Once again we had a great turn out. Thanks to all you volunteers out there that came to help and a special thanks to Jen and Hayley from the Cambridge Building Society - sterling work!

#### **Hedging**

Due to the current economic climate we have had to make cut backs this year so the Parish Council is asking residents to take a look over their garden fences and if you see any weeds or brambles that need to be cut back, please help the Parish Council by cutting these back yourselves. Obviously if it's too big a job, then contact me and I will arrange for an inspection with a view to having this done some time during the course of the year.

#### **Parish Council Meetings**

The next monthly Parish Council meeting will be on Thursday 19th May at 7 pm in the Parish Council Office and all members of the public and press are welcome to attend. There is an Open Forum at the start of the meeting for residents to put their views across. Please come along if you have an issue to raise, or if you just want to see what goes on at our meetings.

## **Christian Aid**

**We believe in life before death**

### **Christian Aid Week 2010 – Out of Poverty**

From 15 to 20 May volunteers from Bar Hill Church will be delivering Christian Aid Week envelopes throughout the village. They will be seeking your support in raising money for people in the third world, and, unlike some charity collectors, they will receive no personal benefit from calling on you.

In our village we all have many things we take for granted that millions lack – such things as enough to eat, weather-proof homes and clean water. Christian Aid runs projects that help to improve the situation of those who lack these. To support the collection, put your contribution in your envelope ready for collection. If you are a tax payer, please fill in the GiftAid declaration; it will make what you give worth more and cost you nothing. Do answer the door to your collector when they call, and please be polite; a minority of residents are unpleasant to those who give up their time to help others.

Last year just over £3000 was raised in Christian Aid Week in Bar Hill, and GiftAid added an extra £344. Please help us to reach an even better total this year.

We are also aiming to set up some youth practice sessions and hope to be sending out details via the village school in the near future.

We have two settings in the village located at the Village Hall Centre and Church Centre. Both Pre School settings have bright and airy rooms, both gardens are fully secure and enclosed. We provide safe, secure, independent learning environments for children aged 2-5 years.

Our ethos is to ensure a high quality of care and education by focussing on each individual child's ability, interests and we encourage their development throughout the Early Years Foundation stage.

Our key person and buddy system enables our Early Years team to meet the needs of individuals through planning child focussed next steps.

We have a snack bar where all children in turn prepare a variety of healthy balanced foods for themselves and peers twice a day.

Snack times help children to develop independence through preparing, making choices, serving food and refreshments.

We pride ourselves in providing outstanding Parental/Carer partnership and use communication diaries to encourage working together.

#### Moving on sessions

These sessions are for children in their final year at Pre School. This is a more structured session preparing children for school entry.

#### Flexible childcare and Early Years funding

We are registered for and offer 15 hours free flexible childcare for the term after a child's 3<sup>rd</sup> birthday.

#### Play Tots sessions

These are held in both settings for Parents/Carers and children up to 5 years old including babies. We have lots of fun and have a large selection of indoor/outdoor activities including our soft play den and toys especially for the tots.

Sessions are held on a pay as you play basis. Drinks and healthy snacks are provided.

Tuesday 9.15-10.45 Village Hall Setting

Thursday 1.15-2.45 Church Centre Setting

For more information please contact either Pre School on the above numbers or feel free to pop in and meet our Managers and Early Years team during session times.

Our session allocation Co-ordinator Sarah is always on hand to support you through the registration process. Email: [enquiries@barhillpreschool.co.uk](mailto:enquiries@barhillpreschool.co.uk)

We look forward to meeting you and your child.

## Drips waste water – a guide to water efficiency

Have you any idea how much water you use on a daily basis?

Well in this country the average person uses a staggering 150 litres of water a day – a third of which quite literally goes down the toilet – and on the following:

- ◆ 90 litres when you have a bath
- ◆ 45 litres for a 5-minute shower
- ◆ 110 litres to use the washing machine
- ◆ 45 litres to run the dishwasher
- ◆ 25 litres can be wasted from a dripping tap

We are using more water, per person, than ever before, but the environment cannot go on sustaining an unlimited increase in water demand and we need to tread lightly on our water supply:

- ☺ Fit a water saving device in the toilet cistern to save around 3 litres of water every time you flush. You can contact your water supplier about devices such as Hippos and Hogs
- ☺ Equipment such as washing machines and dishwashers may save work, but they use a lot of water, so make sure you only run them with a full load (and if you are buying a new machine look out for water efficient models)
- ☺ Don't leave taps running (e.g. when you are brushing your teeth or washing vegetables) as you can use 10 litres of water per minute!
- ☺ Repair dripping taps and leaks in pipes
- ☺ Fill a jug with water and keep it in the fridge, as this saves running the tap until the water is cold
- ☺ Don't fill the kettle with more water than you need (to also save electricity)

Not only will these measures save water; but as more of us have a water metre fitted, they will also help save money.

A public meeting has been arranged to provide an opportunity for you to ask questions, make suggestions and feedback on the strategy, in order to help shape the future of your local library.
